

St AMBROSE
UNIVERSITY

YOUR ART + DESIGN CAREER STARTS HERE.

CONTEMPORARY AND COMPLETE

Studying Art + Design at St. Ambrose goes beyond the basics of visual arts. Students are challenged and supported as they explore and work towards their artistic career, whether it be graphic design, print and book, painting, or a little bit of all of them!

LEARN FROM THE PROFESSIONALS

Our Art + Design faculty are seasoned professional artists, designers, and educators using their vast and variable skills to support students as they navigate new ideas, materials, and techniques.

GO BEYOND

Experience hands-on learning through community internship opportunities, independent studies, study abroad programs, and interdisciplinary majors.

MUSEUMS & LECTURES & WORKSHOPS

Students can take advanced courses at the Figge Museum located in scenic downtown Davenport. All SAU students enjoy free access to the museums collections.

We believe in practice, play, and discovering your potential — and we give you room to do all three. The department is located in the Galvin Fine Arts Center — home to two public art galleries — and features over 1,600 square feet of drawing and painting space, a mac-computer lab, teaching and art gallery spaces, and studios focusing on print, papermaking, and book arts.
