

BUILDING TO GREATNESS - The Foundation For Our Future

St. Ambrose University has reason to be proud of our historic baseball program. Founded in 1892, the program's first home was a diamond on the lawn behind Ambrose Hall. Now, with 130 seasons of collegiate baseball in the record books, the Fighting Bee Baseball home field is historic Modern Woodmen Park, an award-winning Minor League ballpark on the banks of the Mississippi River.

SAU Baseball has been a well-respected and a highly competitive program. The Baseball Endowment Scholarship will help to make the future even brighter. Our student-athletes arrive to not only play the sport they love, but also to develop the well-rounded foundation needed to make a meaningful and positive impact in their community, workplace and home.

BASEBALL ALUMNI ENDOWED SCHOLARSHIP

The St. Ambrose University Baseball Alumni Scholarship was established by Fighting Bee Baseball Alumni, current and former coaches and supporters of the St. Ambrose University Baseball Program.

This scholarship is created to assist in recruiting baseball student-athletes who otherwise might not attend St. Ambrose. The Committee sees a need to raise the profile of the SAU Baseball program and wishes to compete for national championships. This scholarship will be awarded over and above any scholarship or financial aid the University has offered a potential student-athlete.

**SUPPORT FIGHTING BEE BASEBALL -
Today and Tomorrow**

FIRST CLASS FACILITIES THAT GIVE OUR PLAYERS AN UPPER EDGE

MODERN WOODMEN PARK

Home of the Quad City River Bandits, Class A affiliate of the Kansas City Royals, Modern Woodmen Park offers Major League quality features and seats over 7,000. The St. Ambrose baseball team uses the field for all home games and practices. The stadium is located along the Mississippi River and is just minutes away from campus. Equipped with home/road clubhouses and batting cages, players get to experience a professional sporting event atmosphere on game day.

THE AMBROSE DOME

The Ambrose Dome is a state-of-the-art, 67,000-sq-ft, 75-foot-high, multi-tiered dome. This sports complex, located less than three miles from campus, is home to St. Ambrose softball games and track & field competitions. The SAU football, baseball, softball, lacrosse, soccer, golf and track & field teams each hold indoor practices in the Ambrose Dome.
