	Guyana		Singapore	
			Solomon Islands	

3 Have you traveled to one or more of the countries listed above? ☐ yes ☐ no

If yes, place a check mark by those countries and indicate the length of time spent in the country/countries _____

4 Have you been a resident, volunteer, and/or employee of high-risk congregate settings (e.g., correctional facilities, long-term care facilities, homeless shelters)? ☐ yes ☐ no

5 Have you been a volunteer or health-care worker who served clients who are at increased risk for active TB disease? ☐ yes ☐ no

6 Have you ever been a member of any of the following groups that may have an increased incidence of latent *M. tuberculosis* infection or active TB disease: medically underserved, low-income, or abusing drugs or alcohol? ☐ yes ☐ no

If the answer is YES to any of the above questions, St. Ambrose University recommends that you receive TB testing prior to the start of your first enrolled semester. The significance of any travel exposure should be reviewed with a health care provider.

If the answer to all of the above questions is NO, no further testing or further action is required.

The above information is true and accurate to the best of my knowledge.

Declination of Meningitis Immunization

The state of Iowa requires colleges and universities to provide information on meningococcal disease and vaccination to all students who reside in on-campus housing. Only the individual declining immunization, or a legal guardian if student is under age 18, may sign this form. A signature by any other person on behalf of the individual named on this declination form is not permitted under any circumstance.

I have received information about meningitis and the meningitis vaccine, including risks and benefits, as well as the effectiveness and availability of the vaccine from the following health care provider or office _____.

I have had the opportunity to ask questions about meningitis and the meningitis vaccine, and have had those questions satisfactorily answered.

I voluntarily decline the meningitis vaccine.

Name of student declining (printed) _____

If student is under 18, name of legal guardian declining (printed) _____

Signature of individual declining _____ Date _____
(student, or legal guardian if student is under 18)

Specific Authorization for Release of Information Protected by State or Federal Law Regarding Mental Health, Substance Abuse Treatment or AIDS-related Information

I acknowledge that information about substance abuse, mental health, and/or AIDS-related conditions is protected by federal and/or state law. I have provided St. Ambrose University with confidential information from the agencies, facilities or individuals indicated below and I SPECIFICALLY AUTHORIZE the release of the following confidential information as indicated (**indicate "yes" or "no" for each**):

_____ Substance abuse (drug or alcohol) information from _____
Agency, Facility or Individual

_____ Mental health information from _____
Agency, Facility or Individual

_____ AIDS-related information from _____
Agency, Facility or Individual

Signature of student or student's legal representative _____ Date _____ Printed name and relationship of student's legal representative _____

Federal and/or state law specifically require that any disclosure or redisclosure of substance abuse, alcohol or drug, mental health, or AIDS-related information must be accompanied by the following written statement. This information has been disclosed to you from records protected by federal confidentiality rules (42 CFR Part 2). The federal rules prohibit you from making any further disclosure of this information unless further disclosure is expressly permitted by the written consent of the person to whom it pertains or as otherwise permitted by 42 CFR Part 2. A general authorization for the release of medical or other information is *not* sufficient for this purpose. The federal rules restrict any use of the information to criminally investigate or prosecute any alcohol or drug abuse patient. See also Chapter 228 and Chapter 141(A) of the Iowa Code and other applicable laws.

Note: Photocopy of this signed authorization shall be as effective as the original

Authorization to Release or Redisclose Information for Student Athletes or Those with Clinical or Practicum Experience

I have had delivered certain health information to St. Ambrose University and authorize St. Ambrose University, 518 Locust Street, Davenport, Iowa, including but not limited to its Student Health Services personnel, to disclose, redisclose, deliver to and discuss with: ☐ St. Ambrose Athletic Department, including coaches and trainers

☐ Faculty clinical coordinators for my academic program and potential clinical sites where I may be considered for assignment

☐ Or to _____

that health information supplied to St. Ambrose and any information gained from Student Health Services

OR

the following specific information _____.

NOTE: If information includes mental health treatment, substance abuse treatment or HIV-related information it will not be released unless you sign further authorization agreement below.

This authorization expires on _____, _____; or, if no date is specified, on the termination of my status as a student at St. Ambrose University.

I understand that I may refuse to sign this authorization or revoke this authorization at any time. I understand that my revocation or refusal to sign this authorization will not affect my ability to obtain health care services. I also understand that if I revoke, the revocation will take effect on the day it is received by St. Ambrose University. I understand that if the person or entity that receives the information requested is not covered by the federal privacy regulations or is not an individual or entity who has signed an agreement with such a person or entity, the information described above may be redisclosed and will no longer be protected by the regulations. Iowa and/or federal law provides that I have a right to prohibit redisclosure of confidential medical information and further disclosure may not be had without my express written authorization, except as indicated below.

I specifically authorize and consent to the disclosure and redisclosure described above. I understand that the disclosure allows for consultation with Athletic Department or clinical site personnel.
