“In all people there lies, in accordance with human nature, a desire to search out the truth which leads us on to have a longing for knowledge and learning and infuses into us a wish to seek after it. To excel in this seems a noble thing.”
Saint Ambrose, patron saint of learning, De Officiis, book 1, chapter XXVI

**Fundamental Skills and Knowledge**
Develop fundamental skills and knowledge necessary to flourish in a rapidly changing world. .......................... 12–18 credits
- Oral Communication*: COMM 129, 132, 203, 228 or 329
- Written Communication*: ENGL 101
- Research: IL 101
- Quantitative Reasoning* and Information Technology: CSCI 140, 281, MATH 131 or higher, STAT 213, STBE 137
- Health and Fitness: KIN 149 + one other KIN course
- Second language: competency through 102, French, German Studies, Spanish

**Liberal Arts Perspectives**
Develop competencies that produce liberal arts perspectives in order to influence culture. .......................... 15 credits
- Humanities: two courses from two different departments
- Creative Arts: one course or one year music ensemble or same musical instrument

- Natural Sciences: one course

**Catholic Intellectual Tradition**
Evaluate truth claims derived from philosophy and theology in order to scrutinize the relationship between faith and reason. .......................... 12 credits
- Philosophy: one course at 100–200 level
- Theology: one course at 100–200 level
- Philosophy, Theology, Catholic Studies or Justice and Peace Studies: two courses, one at 300 level

**Integrated Learning**
Through participation in the General Education Curriculum, as well as major and co-curricular engagement, undergraduate students critically explore complex issues using knowledge and skills from the liberal arts and Catholic Intellectual Tradition. As such, students participate in a variety of integrated and multi-discipline approaches to learning, however, key assessments of students’ abilities to practice critical thinking to solve problems and equips students for success will occur in 300 level philosophy and theology courses.

**Additional Graduation Requirements**
- Complete two writing intensive courses, one in major area at the 300 level or above.*
- Complete at least 30 semester credits at the 300 level or above.
- Complete the minimum of 120 semester credits.
- Students must meet the general degree requirements and the requirements of a major as stated in the catalog at the time of their admission or in the catalog for the year in which they graduate.

*must pass with a grade of C or better
Courses aligned with St. Ambrose General Education Outcomes and Requirements advance our mission by measuring student achievement in skills and knowledge grounded in liberal arts and the Catholic intellectual tradition. Consult with an academic advisor and refer to the current university catalog for general education course offerings. Degree requirements may change with new course catalogs. If a switch is made to a more recent catalog, all the changes reflected in the catalog must be adhered to.
