The Rogalski Center at St. Ambrose University

Choosing the appropriate location to hold your special event can be a very stressful task, which is why the St. Ambrose University Rogalski Center prides itself on flexibility. Located in the center of campus, the Rogalski Center can accommodate small groups of 10 to large gatherings of up to 500 guests.

The facility has a spacious ballroom that can be divided into smaller areas to fit the specified occasion. The space can be used for wedding receptions, lectures, socials, conferences, benefits, and award ceremonies. For more social events, you may choose to enjoy the hardwood dance floor, or utilize the grand piano, which also plays CDs.

Constructed in the fall of 2004, the Rogalski Center offers some of the most modern amenities and technological capabilities. The wireless building is further equipped with Internet connections in all sections of the facility and the option to rent various media equipment.

All catering is contracted through Sodexo Campus Services, whose award-winning chefs provide a menu with a variety of selections. If catering services are not required, the building also houses a food court area, which prepares fresh sandwiches and salads daily that would compliment any business luncheon.

Additional benefits of renting the Rogalski Center include the availability of campus security, a large parking area, and the option for housing during the summer months.
